

Laminex®

# Cut-to-size Compact Laminate

Pictured: Laminex Multipurpose Compact Laminate In  
**Classic Oak** Natural Finish

The Laminex cut-to-size offer is a hassle-free, ready-to-install compact laminate panel solution. This service easily allows Laminex customers to use compact laminate for a variety of internal and external applications, and is ideal for large or small projects, from alfresco kitchens - including doors, panels & benchtops, to restaurant tabletops, laboratory benchtops and doors, and loose commercial furniture.

Made in Australia

**Protec+** Antimicrobial  
Technology

# Laminex® Cut-to-size Compact Laminate

---

## Pay for only what you need

Panels are customised and charged on a square metre rate, so you only pay for what you need. No minimum order applies to this offer.

## No need for specialty equipment

There is no need for specialist cutting and lifting equipment, as the compact laminate panels are custom made. This includes the option of routing and predrilling for handles and hinges - to meet your design needs.

## Superior Quality Substrates

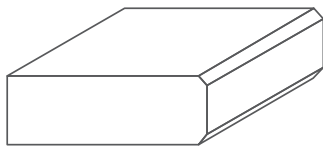

Cut-to-size Compact Laminate is available in all grades of Laminex Compact Laminate, which are proudly Australian made. All substrates are Global GreenTag certified and feature Protec+ Antimicrobial Technology for added protection and peace of mind.

## No additional delivery fees and convenient lead time

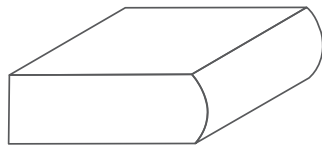

Regardless of the order size or location, you are only charged with the standard Laminex 'first order of the day' fee. From when your order is accepted, our standard lead time is only 10 business days plus delivery. For larger orders, the standard lead time may be impacted. We will inform you of your new lead time once it is entered into the system.
